REBATE PROGRAM FOR FRONT LOADING WASHING MACHINES

As part of our water conservation initiatives, the District of Summerland will offer a one time \$50.00 rebate to Summerland Water Utility Customers who purchase a new front-loading machine for use in Summerland, subject to the utility customer supplying the information as outlined on the attached application form, and subject to funding availability in the municipal budget.

REGULATIONS AND PROCEDURES

1. The Director of Finance, or designate is hereby authorized to grant approval and apply a one time \$50.00 credit to the District of Summerland water utility account of those customers who qualify for the rebate, as outlined in the attached application form.
2. Prior to issuing the rebate, the Director of Finance must be ensure that the applicant has met all of the criteria outlined in the attached application form.
3. Municipal Council may re-evaluate the effectiveness of this rebate program at any time and may cancel the program without notice.

Adopted: March 14, 2005

Cash for Front Loading Washing Machines!

Summerlanders are working to reduce their water consumption in order to preserve this precious resource and to ensure that we have an adequate supply--replacing your old top-loading washing machine with a front-loading machine is one way to conserve water. Front-loading machines use approximately one third of the water a top-loading washing machine does. In order to encourage everyone to convert to front loading machines, the District of Summerland will consider a **one-time \$50.00 rebate to those Summerland water utility customers** who purchase a new front-loading machine for use in Summerland. This rebate program will end in December, 2006.

To Qualify:

- You must be signed up as a District of Summerland residential water utility customer at the time you make your application for a rebate.
- You must submit the original receipt for your washing machine purchase made within two months of your rebate application, along with proof that the machine is a front loading machine.
- You must complete the attached application form and submit it to the Director of Finance in order to be eligible for the \$50 rebate.
- If approved, a one-time \$50.00 credit will be applied to your District of Summerland water utility bill. You will also be notified in writing as to the disposition of your application.

FRONT LOADING WASHING MACHINE REBATE APPLICATION

Print Name: _____

Residential Address in Summerland: _____

District of Summerland Utility Account Number: _____

Washing machine make: _____

Washing machine model and serial number: _____
